A registered voter who chooses to adopt a new name by decree of court or as a result of marriage shall continue to be registered in his/her former name until June first of the following year at which time the voter shall be registered in his/her new name; provided, however, that if such voter appears in person prior to the close of registration for any preliminary, primary, or election to notify the registrars of such adoption of a new name, the registrars shall correct the current annual register so that such voter shall be registered in his/her new name.
