VI. Superintendent's Report

Superintendent Amy McKinstry provided an update on what has been going on in the district. She discussed summer programming which includes traditional summer school at both the high school and middle school. There will be a social emotional and team building camp offered to students on grades K-4, and there will be 100 students participating. The extended school year program will begin after the 5th of July and there will also be a severe special needs camp offered. There will be acceleration academies offered for grades K-2 providing through DESE grants. More information will be provided in July. Summer program attendees no longer need to wear masks according to the update from DESE, however, it is recommended that unvaccinated students continue to wear them. All distancing and mask protocols have been lifted at this point for the next year with no remote options. The district will continue to offer breakfast and lunch through next year and during the summer, however families who receive other assistance are encouraged to fill out the free and reduced lunch form. The new Northbridge Elementary School is up and running and the administrative offices are in business. The last of the furniture is expected to be delivered by the end of the week. Amy provided an athletics update and encouraged students 12 and older to get vaccinated.

IX. Discussion

A. MS Sports

Amy McKinstry received emails from the Northbridge Boosters regarding the difficulty raising funds due to the pandemic. The Boosters are looking to assist the athletics not completely cover the costs and due to the pandemic, it has caused a deficit without many opportunities to fundraise. Amy will be meeting with them on Thursday to discuss collaborations to fund and support middle school sports. The district wants to, and is able to, but will need to discuss how to do this in the future. Melissa Walker reviewed the estimated costs. This will be a potential action item in July.
