

Mission Statement

The Mission of the Northbridge Green Committee is to inform and education the town departments and citizens on the many options for becoming an environmentally responsible community that improves the quality of life in Northbridge.

Goals:

To qualify as a green committee as outlined by the Department of Energy Resources Green Communities Program

To educate the entire community of the advantages and benefits of being environmentally responsible.

To improve the energy efficiency of existing public facilities there by reducing the operational costs for the Town of Northbridge.

To investigate alternative energy resources appropriate for the community.

Meeting Schedule:

Melissa Martin made a motion, seconded by Cynthia Vlasaty that Green Committee will be the first and third Tuesday of each month at 6PM in a meeting space at the town hall. Approved unanimously. Ted Kozak will make sure all future meetings are posted.

Jim Marzec will get clarification from the selectmen as to his role on the Green committee.

Melissa Martin would like to have John Zywiec serve as an alternate for her when she cannot make a meeting due to weather. No one objected. Ted Kozak will clear it with the selectmen.

Cynthia Vlasaty requested a list of members and contact information. It will be included with the minutes.

Formation of a Green Committee

The Northbridge Board of Selectmen is proposing to formulate a Green Committee. The role of the committee will be to explore ways to use energy more efficiently and to eliminate energy waste in the Town of Northbridge.

Any citizen interested in serving on this committee should notify the Town Manager's Office at 508-234-2095.
