The number of cases in Massachusetts has risen dramatically over the last several weeks. As of this Press Release, the State MEMA Office has confirmed **25,475** total cases here in Massachusetts, with **756** COVID-19 related deaths. Patients tested by MA State Public Health Laboratory, hospitals, and commercial laboratories is **116,730**.

The Town's first responders continue to provide Emergency Management Services for its residents utilizing safety and health protocols necessary to perform services under the current environment. The State recently distributed **1,935,010** pieces of PPE (Personal Protective Equipment) across the Commonwealth.

So that we may protect the health and safety of our community, we continue to strongly urge ALL residents to adopt the following measures:

- Follow the "Stay at Home" advisory issued by Governor Baker on March 23rd;
- Practice social distancing by avoiding groups of ten or more people and keeping a distance of six feet from others;
- Avoid close contact with people who are sick;
- Avoid touching your eyes, nose, and mouth with unwashed hands;
- Wash your hands frequently with soap and water for 20 seconds or longer, and use a hand sanitizer with at least 60 percent alcohol if soap and water are not available;
- Cover coughs and sneezes, throw tissues away and wash your hands immediately afterward; and
- Clean and disinfect frequently touched objects and surfaces.

The Town's office buildings continue to be closed to the public and staff are mainly working remotely. Services are continuing to be provided and we encourage residents/business to utilize electronic means to communicate with staff. All department-specific information can be found at the Town's website at www.northbridgemass.org.
