

Duplication of Benefits Certification for CDBG-CV funds

A duplication of benefits occurs when a person, household, business, government, or other entity receives financial assistance from multiple sources for the same purpose, and the total assistance received for that purpose is more than the total need for assistance. Duplication of benefits occurs when Federal financial assistance is provided to a person or entity through a program to address losses and the person or entity has received (or would receive, by acting reasonably to obtain available assistance) financial assistance for the same costs from any other source (including insurance), and the total amount received exceeds the total need for those costs.

The CARES Act requires HUD to ensure that there are adequate procedures in place to prevent any duplication of benefits as required by section 312 of the Stafford Act, as amended by section 1210 of the Disaster Recovery Reform Act of 2018 (division D of Public Law 115-254; 42 U.S.C. 5121 et seq.) and all applicable Federal Register notices, including FR-6218-N-01.

HUD requires each grantee to have procedures in place to prevent the duplication of benefits when it provides financial assistance with CDBG-CV funds. Grant funds may not be used to pay for a cost if another source of financial assistance is available to pay for the same cost.

This certification must be completed by any subrecipient, individual or family, business, direct beneficiary, or other entity that receives assistance and serves to document compliance with the CARES Act requirement to ensure that there are adequate procedures in place to prevent any duplication of benefits as required by section 312 of the Stafford Act, as amended by section 1210 of the Disaster Recovery Reform Act of 2018 (division D of Public Law 115-254; 42 U.S.C. 5121 et seq.) and all applicable Federal Register notices, including FR-6218-N-01.
