Meeting will take place via a conference call amongst board members

****Gov. Charlie Baker issued an Executive Order suspending certain provisions of the open meeting law due to the ongoing COVID-19 public health emergency.**

The order is intended to enable public bodies to carry out their responsibilities while adhering to public health recommendations regarding social distancing.

The order relieves public bodies from the requirement in the open meeting law that meetings be conducted in a public place that is open and physically accessible to the public, provided that the public body makes provision to ensure public access to the deliberations of the public body through adequate, alternative means.

A municipal public body that for reasons of economic hardship and despite best efforts is unable to provide alternative means of public access in real time may instead post on its municipal website a full and complete transcript, recording, or other comprehensive record of the proceedings as soon as practicable afterwards.**
