*Property purchased with Town of Northbridge Community Protection Act funds.
Property to be placed under a Conservation Restriction that will be held by Metacomet Land Trust.*

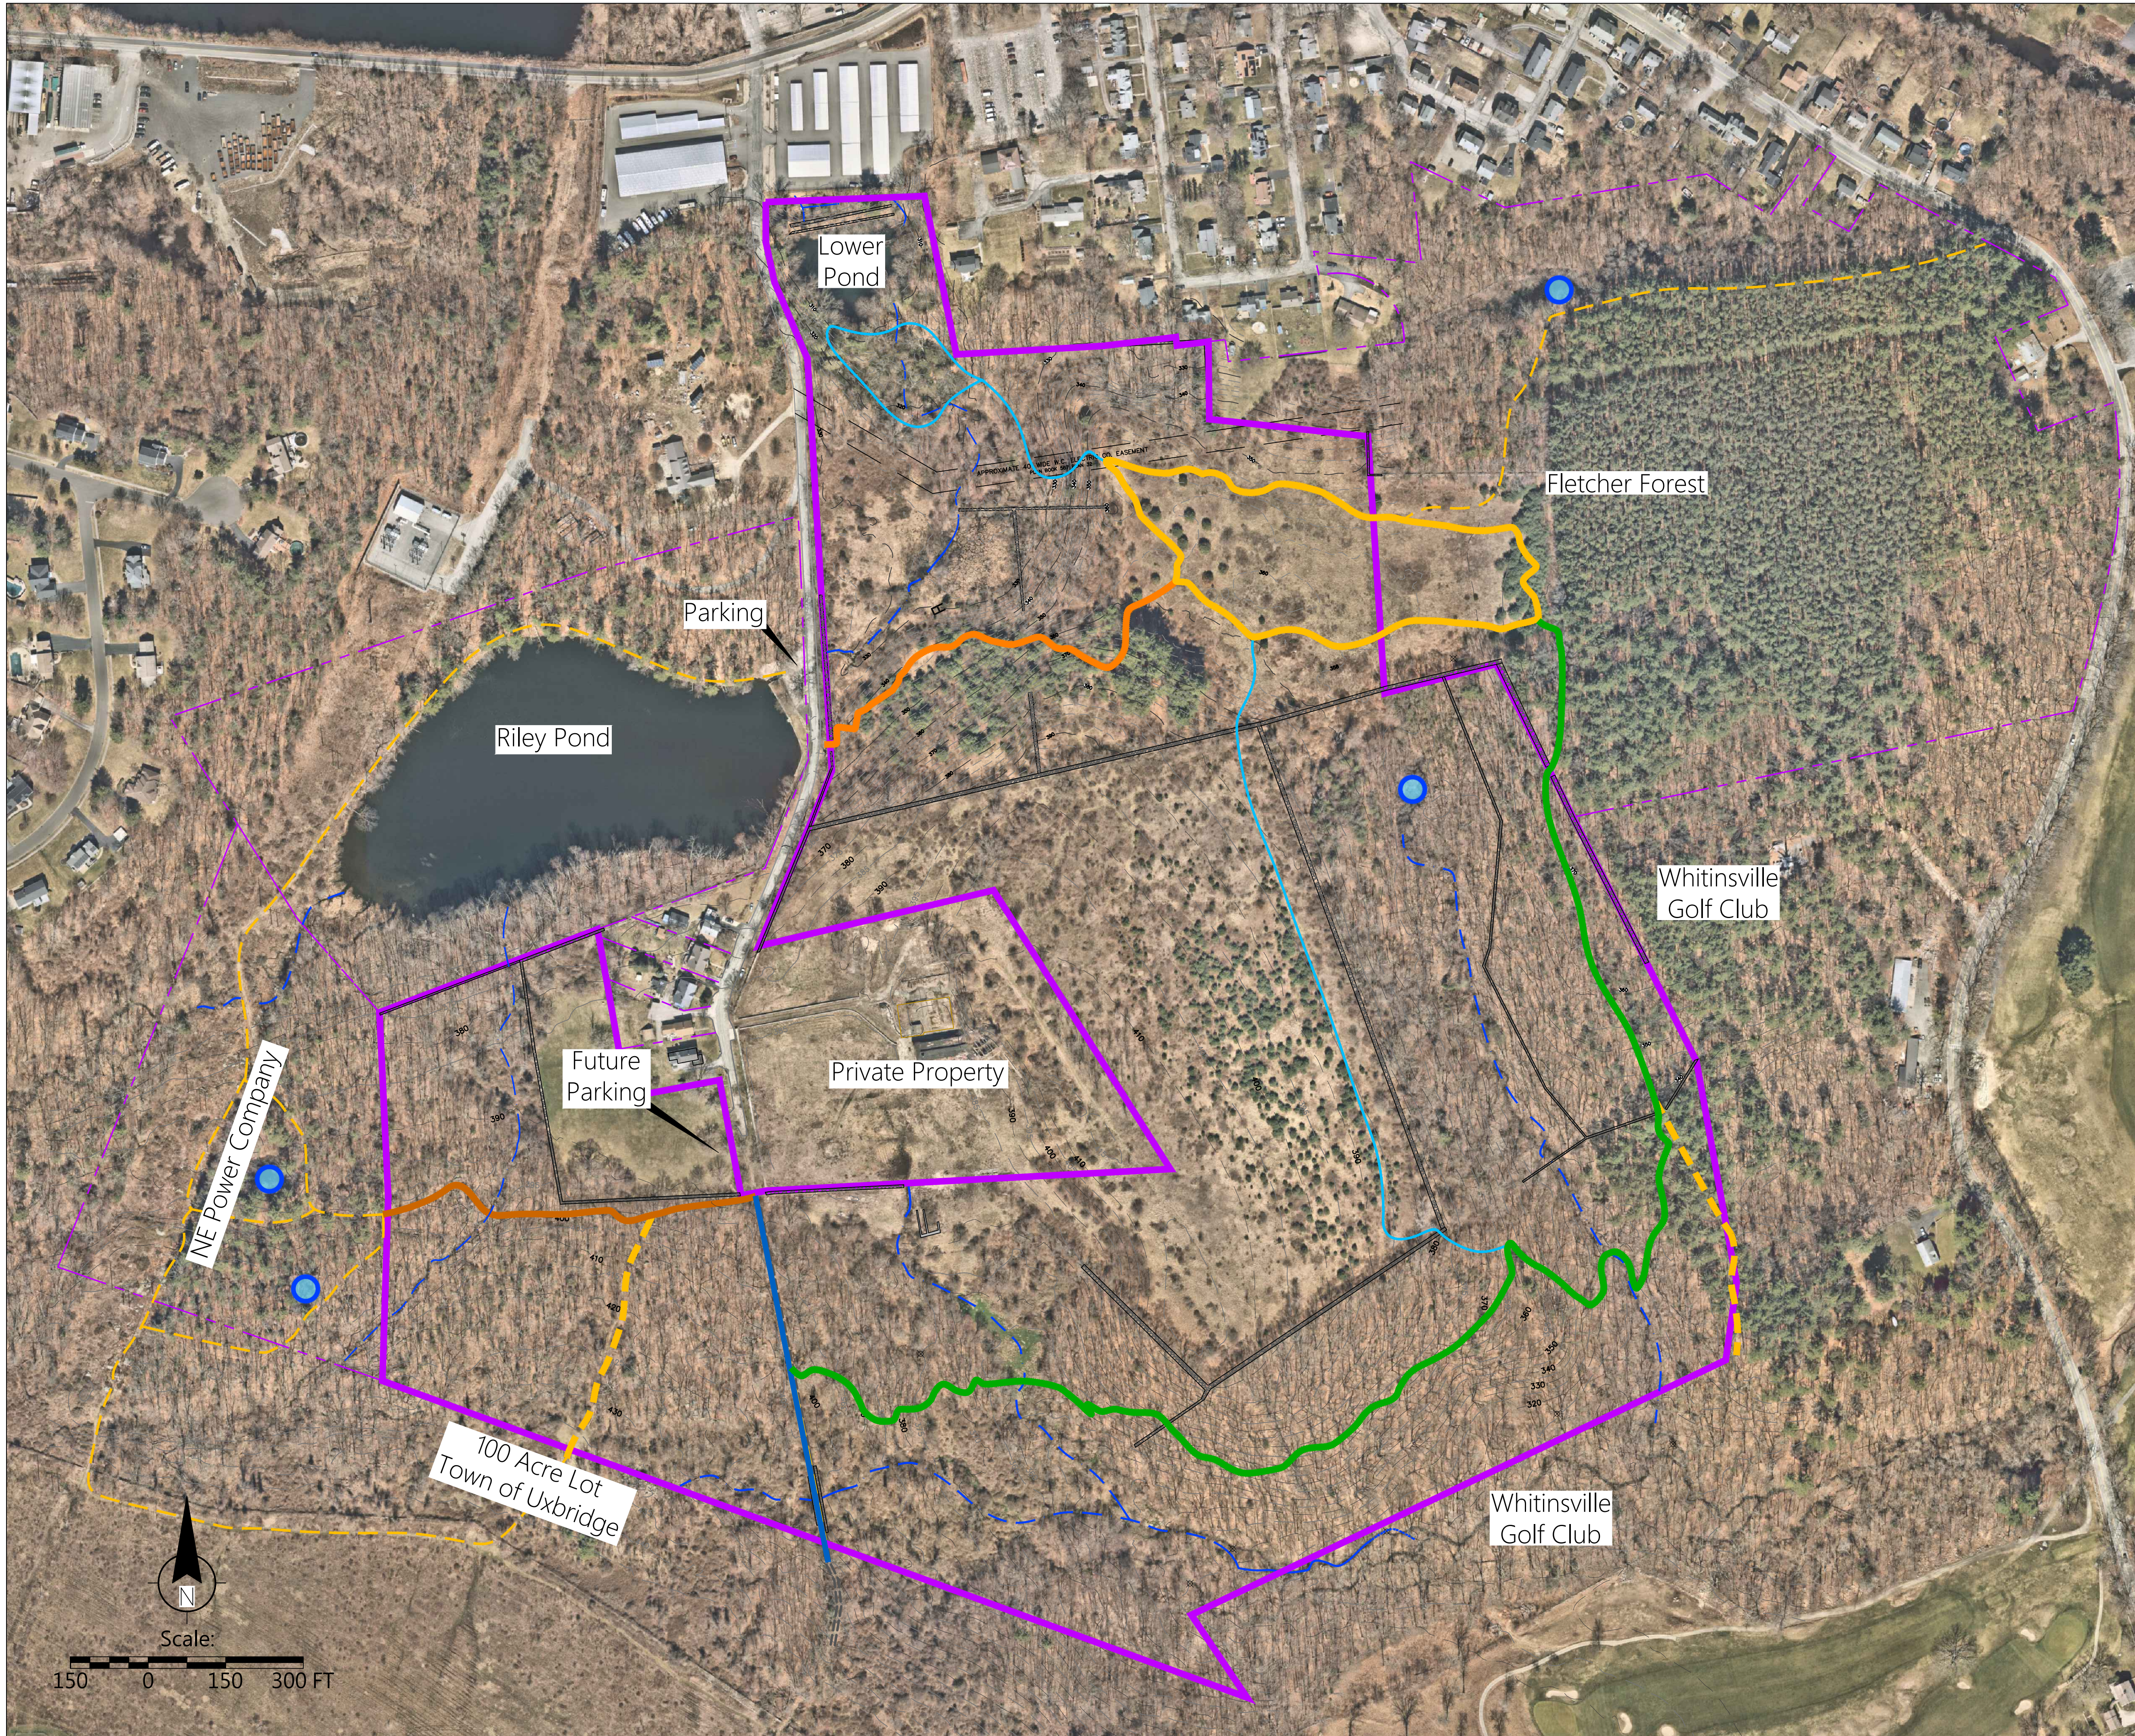

Notes:

1. Property boundaries of conservation land obtained from plans prepared by Allen Engineering & Associates, Inc. (AEA) dated 7/28/2022 and 2/28/2023.
2. Topography obtained from AEA Plans.
3. Locations of ponds, streams and vernal pools are based on data available from MassGIS and field measurements.
4. The location of existing trails and future trails were recorded in the field with a GPS Unit (+/- 0.5 meter accuracy).
5. Aerial photographic base obtained from Nearmap and depicts conditions in March of 2023.
6. Field observations were completed by Conservation Commission staff during the period from 12/1/2022 to 9/1/2023.
