Northbridge Town Government Offices
Reopening to the Public on Monday, May 10, 2021
Under Strict Guidelines

As of Monday, March 22, 2021, the Commonwealth of Massachusetts is in Step 1 of Phase IV of the state’s reopening plan, allowing for expanded services, additional businesses being able to reopen, and larger gatherings. **Town Offices will be reopening to the public on Monday, May 10, 2021 under the following restrictions:**

- Offices will have restricted hours (i.e. Town Hall and Town Hall Annex Monday-Thursday 10 am to 2 pm and 10 am to 12 pm on Fridays).
- Face coverings are required for all visitors upon entering Town buildings.
- Social distancing is required – certain departments will have floor markings for queuing of patrons.
- Visitors are required to adhere to signage regarding entry, exits and queuing.
- Visitors must stand behind counter shields or other office barriers.
- Visitors are required to sign-in at department counters for potential tracing needs.
- Payments by check or money order are encouraged when making payments in person.

Residents and other interested parties can still pay bills, apply for permits and licenses, and access other information and services at the Town Website ([www.northbridgemass.org](http://www.northbridgemass.org)). Payments by check will still be accepted through the drop box located to the rear entrance of the Town Hall. Other documents, forms, applications, and nomination papers may also be submitted to the Town Hall drop box. Cash is not accepted in the drop box.

**Department-specific (Senior Center, Library, etc.) operational changes will be posted to their respective webpages on the Town Website ([www.northbridgemass.org](http://www.northbridgemass.org)).**
