§ 201-17. Permitting and operation of commercial, residential and municipal solid waste and recyclable materials collection. [Amended 5-16-2001, effective 5-30-2001; Amended 10-24-2011; Effective 12-1-2011]

A. Authority and purpose. The Town of Northbridge Board of Health under the authority of MGL c. 111, §§ 31A and 31B, hereby makes the following regulations in an effort to protect the public health and to promote increased recycling and responsible refuse disposal. These regulations are to be inserted into the Code of Regulations of the Board of Health, replacing any and all existing regulations previously adopted by the Board of Health regarding the permitting and operation of garbage, rubbish, and refuse collection and disposal, except as to those matters currently pending. Any condition that existed prior to the effective date of these regulations shall not be grandfathered or exempt from these regulations.

B. Definitions.

COMMERCIAL WASTE -- Nonhazardous solid waste generated by businesses, such as office buildings, retail and wholesale establishments, and restaurants.

FACILITY -- A licensed solid waste disposal or handling facility approved or licensed by the Department of Environmental Protection (DEP).

PERMITTEE -- Any person(s) or company, which has applied for and obtained the appropriate permit to collect refuse within the corporate limits of the Town of Northbridge.

RECYCLABLE MATERIALS -- Those items listed in Subsection G of these regulations.

SOLID WASTE -- All rubbish, trash, garbage, or refuse normally generated, excluding explosives, oil, sludges, highly flammable substances, cesspool or other human wastes, human or animal remains, construction materials, demolition debris, and hazardous refuse of any kind such as cleaning fluids, crankcase oils, cutting oils, paints, acids, caustics, poisons, drugs, radioactive materials, fine powdery earth used as filter media, cleaning fluid and refuse of similar nature. Recyclable materials, as defined in these regulations, are specifically excluded from solid waste.

C. General.

(1) Any person engaged in the collection of solid waste and/or recyclable materials in the Town of Northbridge shall remove the same to an approved location or facility in accordance with these rules and regulations, as well as all other applicable rules and regulations.
The permittee shall at no time dispose of recyclable materials by landfilling or incineration without written permission from the Board of Health.

The permittee shall provide recycling service to allow compliance with the Commonwealth of Massachusetts Department of Environmental Protection Solid Waste Bans and any other item deemed feasible by the Board of Health. Items required to be recycled are set forth in Subsection G below, and are subject to amendment by the Board of Health.

In servicing establishments generating commercial waste, the permittee may limit recycling service to paper products, as listed in Subsection G.

Separation of recyclable materials from solid waste will take place at the source (i.e., individual homeowners/tenants/business owners will perform separation).

D. Permitting procedure.

All persons collecting solid waste and/or recyclable materials in the Town of Northbridge shall obtain a permit from the Board of Health prior to commencing with collection.

At the time of application or as otherwise specified, the applicant shall submit to the Board of Health the following:

(a) A nonrefundable permit fee [See § 201-23 Fee Schedule.] (Amended 10-24-2011; Effective 12-1-2011)

(b) A schedule of customer fees to be charged for residential, commercial, and industrial pickup of solid waste and recyclable materials.

(c) A description of the collection vehicle(s) to be used, including the make, model, year, type and size of compactor, and registration number.

(d) Certificates of insurance as defined in Subsection F.

(e) Total tonnage of solid waste and recyclable materials collected on a quarterly basis. Statistics for solid waste and recyclable materials must be supported by weight slips and/or vendor receipts. Estimates may be accepted at the discretion of the Board if sufficient justification for subject estimation is presented to the Board and can be verified. Statistics shall be submitted within 30 days of the close of each quarter; quarters shall be defined as January 1 to March 31, April 1 to June 30, July 1 to September 30, and October 1 to December 31.

(f) Name and location of approved facility at which solid waste and recyclable materials were incinerated, deposited, and/or recycled.
(3) The permit shall be valid for a period of not more than one year, renewable annually on the first day of January, subject to review and approval by the Board of Health.

(4) No permit shall be transferable except with the approval of the Board of Health.

E. Operational procedures.

(1) The permittee shall provide recycling service to allow compliance with the Commonwealth of Massachusetts Department of Environmental Protection Solid Waste Bans and any other item deemed feasible by the Board of Health, as set forth in Subsection G.

(2) The permittee shall offer collection of solid waste on a weekly basis.

(3) The permittee shall offer collection of recyclable materials a minimum of once every other week or on a schedule approved by the Board of Health.

(4) Permittees shall provide their customers with a list of acceptable waste types and recyclable materials, with a list or description of proper packaging or bundling methods of same.

(5) The permittee shall collect solid waste and recyclable materials from its customers in Northbridge.

(6) Recyclable materials shall be placed curbside or at another approved location, on specified days, in their own approved reusable containers.

(7) The permittee may refuse to collect any commercial, industrial, municipal or residential solid waste and/or recyclable materials if there is an indication that the material is not solid waste as defined in these regulations, or if the recyclable materials are not properly packaged or bundled. The permittee shall notify such customers of the reason(s) for refusal to collect. The permittee may notify the Board of Health of any customer who continues with repeated offenses.

(8) The permittee shall take all reasonable care in the collection of solid waste. Solid waste shall not be scattered about the streets or onto private property. Solid waste which is spilled shall be immediately picked up by the permittee and removed with other wastes.

(9) All vehicles and other equipment used by the permittee shall be kept in good repair, appearance, and in a sanitary condition.
(10) Vehicles shall be appropriately marked to identify the owner's and/or company's name in lettering large enough to be seen from a distance of 100 feet and shall clearly display all local, state, and federal registrations, permits and licenses.

(11) The Board of Health reserves the right to inspect collection vehicles and loads at reasonable times in order to ensure compliance with applicable state and local laws, by-laws, and regulations.

(12) The permittee shall provide for the collection of bulk items such as, but not limited to, couches, chairs, mattresses, white goods, etc.

(13) Any violation of these regulations or any other applicable laws or regulations by the permittee will be grounds for suspension, modification, or revocation of said permit.

F. Insurance.

(1) The permittee shall provide a certificate of insurance as evidence of having comprehensive general liability insurance naming the Town of Northbridge as an additional insured. The comprehensive general liability policy shall be in an amount not less than $1,000,000 combined single limit for bodily injury and property damage.

(2) The insurance policies shall be so written that the Board of Health will be notified of cancellation or restriction amendments at least 30 days prior to the effective date of such cancellations or amendments.

G. Recyclable materials.

(1) This section is subject to amendment and revision by the Board of Health and the Commonwealth of Massachusetts as additional rules and regulations may be promulgated. The Board of Health may amend this section upon written notice to all permittees following public hearing and after reasonable notice to all permittees.

(2) Recyclable materials shall be defined as materials that have the potential to be recycled and which are not commingled with solid waste.

(3) The following items shall be deemed recyclable materials:

   (a) Paper products (tied in bundles or placed in brown paper bags):

   [5] Cereal boxes, packaging, toy boxes, etc.
(b) Glass (empty, rinsed, and dry whole bottles and jars. Labels, caps, and neck rings may remain on bottles.):

[1] Clear, brown or green food and beverage containers only.

(c) Metal (empty, rinsed, and dry. Labels may remain and lids may be attached or placed inside the can; webbing must be removed from aluminum furniture; empty aerosol cans will be accepted):

[1] All metal cans, tins, steel, aluminum, etc.

(d) Plastics (empty, rinsed, and dry. Labels, caps, and neck rings may remain.):

[1] Plastic milk, juice, and water jugs.

H. Reserved. (Amended 10-24-2011; Effective 12-1-2011)

I. Indemnification.

(1) Permittees shall enter into arrangements for the collection of solid waste and recyclable materials with individual residents, the municipality, commercial, and industrial customers of the Town, in which the permittee will be paid directly by the customer.

(2) The permittee agrees to indemnify the Town from any loss that may arise from the improper treatments, storage, or disposal of hazardous wastes collected within the Town.

J. Suspension, modification or revocation of permits. Any solid waste/recyclable collection permit may be suspended, modified, or revoked by the Board of Health upon receipt of evidence satisfactory to the Board that the permittee has not conformed to the requirements of these regulations or such further regulations as may be adopted or to any applicable state or federal statute, regulations, rule or order regarding transportation or disposal of rubbish. Appeals of such suspensions, modification or revocations may be directed to the Board of Health within 10 business days of said suspension, modification, or revocation.

K. Severability. Each of these regulations shall be construed as separate to the end that if any regulation, clause, or phrase thereof, should be held invalid for any reason, the remainder of the regulations and all other regulations shall continue to be in force.

L. Variances. Any request for variance from these regulations must be submitted in writing to the Board of Health. The Board shall within 21 days of receipt of the request for variance
hold a public hearing, at which time the applicant must demonstrate to the Board, by clear and convincing evidence, that there will be no adverse effect on the environment of the public health and safety by the granting of the variance request. All fees associated with the public hearing shall be paid by the applicant. All decisions rendered by the Board shall be made in writing and shall be kept on file in the office of the Board of Health.

M. Noncriminal disposition method of enforcement. For the purposes of noncriminal disposition under MGL c. 40, § 21D, and the Northbridge Code of Bylaws § 1-109A, any violation of any section of these regulations shall be subject to a penalty in the amount of $100 for the first offense, $200 for the second offense, and $300 for the third and subsequent offenses in the same calendar year. Each day or portion thereof during which a violation continues shall constitute a separate offense, and each provision of the chapter, regulations or permit violated shall constitute a separate offense.

N. Effective date. These regulations shall become effective on May 30, 2001.
