DISCUSSION ITEMS: (Part 2of 2)
Neil Vaidya spoke again concerning the Retirement Administrator's Review and potential salary increase. This was a continuation from last month’s discussion as to where the position stood mainly in terms of compensation as there was concern he may have exceeded the schedule. The Board was given an updated salary schedule that Mr. Vaidya was able to compile back to and reconcile with the original schedule the Board was given as a basis from FAA back in 2007. This was the last time the Board had done any kind of salary benchmark. Neil explained he had looked at other boards’ salaries based on information he had received from the Administrator through various inquiries that come out on what cities and towns pay their staff. Mr. Vaidya told the Board their schedule was in line with other Boards’ administrators’ schedules and that if anything the Board would need to think about changing exactly what grade the current administrator sits in. The reason is his position is similar to other town departments that are classified as assistants or that run their own department without any additional staff. As this position is considered similar to that, it would be wise for the Board to consider re-classification of the position not only for now but for future potential employees taking that position. There was some discussion the implication of moving the position, however the Board felt this would make sense and would allow more flexibility in determining a new salary.
The Board concluded that a 2 1/2 percent increase would be appropriate following the steps on the salary schedule.
Mr. Vaidya informed the Board that would put the Administrator close to the top of the grade 8 scale.
George Murray asked the Board if in the future, they could increase the salary above the top of the scale.
The Board decided to re-class the position to a grade 9 to give the Administrator room to advance.
George Murray made a motion to grant the Administrator a 2 1/2 increase and re-class the position to a grade 9 retroactive to July 1, 2019. The motion was seconded by Sharon Susienka.

The Board voted unanimously 5-0 to approve the increase of 2 1/2 to the Board Administrator’s salary and to re-classify the position to Grade 9 retroactive to July 1, 2019.

George Murray made a motion to adjourn the meeting at 3:07 p.m. The motion was seconded by Tom Frieswyk. The Board voted 5-0 in support.

The next meeting of the Northbridge Retirement Board will be held at 2:30 p.m. on December 18, 2019 at the Northbridge Town Hall.
