(Petition Article)
To see if the Town will vote to amend its general bylaws by addition of the following:
9-901. Sex Offender Residency

FINDINGS AND INTENT
A. It is the intent of this by-law to serve and to protect the Town's compelling interest to promote, protect and improve the health, safety and welfare of the citizens of the Town by creating areas around locations where children, or the elderly regularly congregate in concentrated numbers wherein certain registered sex offenders are prohibited from loitering and establishing temporary or permanent residence.
B. After careful consideration, the Town finds that this by-law is the most narrowly tailored means of limiting, to the fullest extent possible, the opportunity for registered sex offenders to approach or otherwise come in contact with children, or the elderly in places where children, or the elderly would naturally congregate, and that the protection of the health and safety of our children, and elderly is a compelling governmental interest.
C. By the enactment of this or any other by-law, the Town understands that it cannot remove the threat posed to or guarantee the safety of children, or the elderly, or assure the public that registered sex offenders will comply with the mandates of this statute. This by-law is intended to create a civil, non-punitive regulatory scheme in order to protect children, and the elderly to the extent possible under the circumstances and not as a punitive measure of any kind.
D. Registered sex offenders pose a clear threat to the children, and the elderly residing or visiting in the community. Because registered sex offenders are more likely than any other type of offender to reoffend for another sexual offense, the Town desires to impose safety precautions in furtherance of the goal of protecting the children and elderly. The purpose of this by-law is to reduce the potential risk of harm to children and the elderly the community by impacting the ability for registered sex offenders to be in contact with unsuspecting children and the elderly in locations that are primarily designed for use by or are primarily used by children and the elderly, the grounds of a public or private school for children, a center or facility that provides day care or children's services, a park, other public recreational facility, elderly housing facilities or the Senior Citizens Center. The Town desires to add location restrictions to such offenders to the extent state law is silent.
