Northbridge Town Government Offices Closed to Public for Three Weeks

In response to the Coronavirus, and in consideration of information from the Centers for Disease Control and Prevention (CDC), the Massachusetts Department of Public Health, and the State of Emergency issued by Governor Baker, the Northbridge Town Offices, including Town Hall, the Town Hall Annex, Senior Center, Library, DPW Office, and all other buildings with the exception of the Police and Fire Stations for emergency services, will be closed to the public for three (3) weeks from Tuesday, March 17th through Friday, April 3rd, 2020. This closure status will be evaluated at a later date if further closing is necessary.

We understand the closure of the Town Hall will impact those seeking services from all departments operating at Town Hall and other Town Offices. The staff will be available during normal hours of operation Monday through Friday to answer phone calls or email questions from the public.

Residents and other interested parties can pay bills, apply for permits and licenses and access other information and services at the Town Website www.northbridgemass.org. Payments by check will still be accepted through the drop box located to the rear entrance of the Town Hall. Other documents, forms, applications, and nomination papers may also be submitted to the Town Hall drop box. Cash is not accepted.

Department-specific operational changes will be posted to their respective webpage on Town Website www.northbridgemass.org.

Also, if you have a Police or Fire emergency and in need of these services, please call 9-1-1.
